Flt.-Sgt. and Mrs. George Clark (nee Elaine Palmer) left on Wednesday after a very enjoyable visit with her parents Mr. and Mrs. F. M. Palmer and other members of her family, and friends. The Clarks, who have been living at Comox, Vancouver Island, left for Kansas City, Missouri to visit his folks before being stationed at Trenton, Ontario.

Mr. and Mrs. Fred Morris of New Dayton were guests at the home of Mr. and Mrs. L. E. Hartley last week.

Stirling Lions Swimming Pool Officially Opened

The recently completed Lions Swimming Pool at the Stirling Park was officially opened by the Honorable L. C. Halmrast on June 25, with a large crowd turning out to witness the event.

Mr. Halmrast, accompanied by Deputy District governor, Ernie Kunz, arrived in an aeroplane, piloted by Mr. Dack of Foremost.

Bishop Ferries Zaugg brought them from the landing place to the swimming pool in his car.

Mr. Hubert Marquardsin gave the speech of welcome.

Mr. Halmrast was guest speaker and mentioned that the swimming Pool was a large undertaking for a town of this size but showed what could be accomplished.

Mr. Ernie Kunz spoke briefly, after which the key to the Swimming Pool was presented to Mayor William Hogenson by Lions President Mr. Earl Metzger.

Mr. Hogenson mentioned that the original fund for the Swimming Pool was started over 25 years ago, and there were numerous benefit dances, and pantry sales and other functions given, by which the fund was increased; also a Bathing Beauty Contest. A telegram of congratulations was then read from the Queen of that contest, Miss Grace Christensen who is now a registered Nurse in Toronto.

Other telegrams from absent former residents of the town were read, wishing the best of luck to the new Swimming Pool.

Bishop Zaugg offered the Dedication Prayer after which the Ribbon was cut by Lions Secretary, Boyd Hirsche.

Mrs. Marvin Hirsche, Lifeguard for the day, was first to dive into the Pool. Next was the contractor who built the Pool, a former resident of Stirling Mr. Clinton Pierson, of Pierco Construction Company.

A couple of hours swimming was then enjoyed by a large number of swimmers from Stirling and adjoining towns.

It should be mentioned that the original Committee composed of Alfred Zaugg, Dave Pierson, William Hogenson and Osborne Oler, turned the Swimming Pool Fund over to the First Lion's Club in 1948. H. C. Jacobs was then President and Harold Christensen was Vice-President.

The fund has since increased by voluntary contributions.

Ready-Made were the winners of the baseball tournament between Del-Bonita, Stirling, Wrentham and Ready-made.

The Barbaqued Beef was much enjoyed. Mrs. Myrtle Christensen was in charge of the kitchen.

Bingo and an open air dance rounded out a very successful day.

Officials reported a substantial sum was raised.

Mrs. Kate Card entertained at a Breakfast Party Wednesday morning in honor of Mrs. Robins and Mrs. Stevens who are visiting here from Salt Lake. This informal get-together was also enjoyed by Mrs. Bonnie Heninger and Mrs. Ruby Erickson.

Mrs. Hawk is presently staying at the home of Mr. and Mrs. Henry Jensen after visiting her daughter and son-in-law Mr. and Mrs. Stan Tiffin in Lethbridge a couple of weeks.

Mr. and Mrs. Lee Fairbanks are renting her home in town.

Mr. and Mrs. Paul Fairbanks and family spent a couple of days enjoying the coolness of the mountains in Waterton this week.

Raymond Has Top-Notch Stampede

-Despite Cold and Rain

The Raymond Stampede, abandoned early this year, came back to life with a bang to provide one of the top shows in the country for the many thousands of people who returned to the birthplace of the Canadian Stampede see the efforts of the civic minded citizens pay off in a big way.

Wednesday, June 30, was a cool day with a more than bracing wind that chilled both spectators and competitors but did not cool the wild and woolly action in the arena as top cowboys from near and far fought for the points that meant jingle in the pockets and a step upwards on the C. P. A. ladder as well as ownership of the trophies put up this year by local citizens for the top man in almost all events.

In the early hours of Thursday, July 1st, many a brow was furrowed and many a mind was worried as a cold drizzle fell from leaden skies. The weather on all sides was bad — real bad — with Claresholm reporting a downpour that threatened to wash out their show (which it did), and Cardston reporting a fine hour solid rain by mid-morning.

After consultation the President and members of the Stampede Association executive decided to go on with the show but to move things back a couple of hours. Consequently the very fine parade moved off at noon on roads that were just slightly more than damp but not wet enough to dampen the enthusiasm of the tremendous crowd that lined almost the full route on both sides of the street. The entrants in the parade were many varied and beautiful, with a few clowns and novelty numbers thrown in to add the list of spice and humor that is so essential on such occasions.

Prize winners in the Parade, that was under the direction of the Rotary Club with Dr. Gordon Anderson as the very able chairman, were:

Most original float in the parade — The Raymond Young Buddhist Association, who always come up with a float that could be entered in any parade with pride.

In the Non-Commercial section of the Parade the Stake M. I. A. won first place with the Catholic Church, the Lions sponsored a H Club float and the Third Ward Primary being the other winners. A special plaque will be presented to the M. I. A. by Hartland Stevens, manager of the local Treasury Branch who put up the shield for annual award in this section of the Raymond parade.

Purity Dairy, Raymond Mercantile, Raymond Pharmacy and the Broadway Store were the winners in the Commercial Section with Miladi's Literary Society and Raymond Music Club taking the honors in the decorated Car section. In the Novelty and Unclassified division prizes went to Hicken and Meeks, Donny Anderson, Arledge Hill, and Pamela Valgardson and Carl Erickson of Taber. In addition each boy and girl in the Parade received a prize.

As is stated each and every year by hundreds of spectators — the Raymond Stampede is second to none in the country and is a distinct credit to the Town and those whose labors make it possible.

Immediately following the Parade thousands of people streamed to the Stampede Grounds where, in spite of a little rain, they were treated to a full afternoon of Stampede events and horse races.

An excellent group of cowboys were present both days to perform in the

Miss Marlene Cook who is studying Nursing at Los Angeles, and Jean Cook of Magrath were holiday visitors at the Bob Heggie home.

CORRECTION
The name of the new Secretary of the Raymond Rotary Club is Orson Bingham, not Orson Anderson as stated in our last paper.

Mr. and Mrs. Rayo Woolfe have left on a three week vacation that will probably take them as far as the coast, although when they left, their destination was not known for sure.

show that was so ably handled by Clarke Lund as Arena Director. Good sportsmanship was clearly evident and instead of the intermittent showers dulling the enthusiasm of both the crowd and the cowboys it seemed to heighten it.

Winners in the Stampede were:
Bronc Bareback Riding: Bill Johnson, Geo. Aldof D. Jessop, Ron Jessup, Steward Douglas, Bob Duce.

Steer Decorating: Billy Collins, John McKay, Tom Duce, Amos Many Moons, Bob Duce, Bob Wells.
Saddle Bronc: Keith Hyland, Carl Olsen, Bob McKay, E. Tolton, Frank Manyfingers, Ken Brower.

Calf Roping: Billy Collins, Byron Woolford, Bud Van Cleave, Chas. Ivens, Raymond Young Pine, Doctor West.

Wild Horse: June 30th. Ray Adams, Dale Christensen, July 1st, David Still, W. Littlebean, Dale Christensen.

Amateur Steer Riding: Dale Christensen.

Amateur Bronc Riding: David Still. A special prize was donated by Dan Purcell, B of M manager, to Gordie Kessler, who was one of the youngest competitors at the Stampede, for his very game rides in the Boy's Amateur Steer Riding Contest.

Special trophies were given this year in the various events with the Raymond Lions Club providing the for the Champion Saddle Bronc Rider, Dahl Brothers for the Champion Calf Roper, Ross and Demory Nilsson for Champion Steer Decorator, Melchin Motors for the Champion Bareback Bronc Rider, Morris Holt for the winner of the Boy's Amateur Steer Riding and Waldo Ross for the Boy's Amateur Bronc Riding. A special award was made to Billy Collins for being the most helpful and co-operative cowboy and to Philip Lund for being the cowboy with the most tough luck.

Spectators on both days were treated to a special exhibition of cutting horses at work when Bill and Ken Brower of Aden demonstrated what training will do for a horse. It was an amazing sight to many to see their horses single out a cow and with almost human judgement keep it from returning to the herd.

Another special event on July 1st, was the pulling match between Clarence Allred's oxen and a tractor. The tractor won but a good many people had a chance to see real oxen and yoke for the first time.

For the racing fan there was a goodly number of races with some of them providing plenty of excitement while in some the winner was too easy to pick. The main pace of the show was again the Businessmen's Derby that was won by Mel Depew's Snow Bank ridden by Morris Heggie. This is the second time Snow Bank has won the feature race and both times Morris has been the jockey. By winning this year he has run his string of wins to four in a row.

A new race was added this year in the Farmer's Derby which was won by Mahlon Bourne's Bottle Fed ridden by Manly Bourne. A list of donors to both the Businessmen's and Farmer's Derbies is at the end of this article.

The 3/4 mile and the 1/2 mile races were won by Bold Onslaught and Bold Messenger, both owned by Ted Meeks and ridden by Monte Dahl. The 1/2 mile race was won by Lucky Princess, owned by Gerald Harker

Dr. and Mrs. Orson Bingham and family have returned from a ten day vacation that took them to Seattle, Spokane and Moses Lake, Wash. where they visited relatives as well as enjoyed the scenery.

Edward and Robert Mitchell from the coast have been guests at the home of their uncle and aunt, Mr. and Mrs. Alma Hancock for a few days.

Mr. and Mrs. R. Thur and family of Cardston were visitors at the home of Mr. and Mrs. Bill Coppieters this week.

and ridden by Morris Heggie. The quarter-horse and thoroughbred matched race was won by Lloyd Sabey from Magrath.

Special trophies given at the Race Meet were won by Mel Depew in the Businessmen's Derby and by Gerald Harker in the 1/2 mile. The trophy for the Derby was donated by the Meeks family and will be known as the Jim and Will Meeks Trophy and will be for annual competition with permanent possession going to a three time winner. The trophy for the 1/2 mile race was donated by Robert Heggie and sons.

Another extra feature this year was the evening Performance on July 1st which started off with the Branding contest between the Church Ranch and the Meeks Ranch who, by a few seconds, was the winner this year. Glen Meeks was the winning roper while Melly Lybbert did the roping chores for the Church Ranch. This is to be an annual challenge event with the winner holding a beautiful trophy put up by Slim Card and Owen King. Ken Forsyth has challenged the winner and so will be here next year to put up the competition for the Meeks boys.

The trophies won during the Stampede were awarded at the night show before Blair Holland and his Western Melody Roundup took over to provide a musical climax to a top-notch show.

Howard Whipple and his Boat Ride were on the grounds for both days to provide young and old with thrills and amusement.

The Raymond Stampede this year was the work of many men and women whose only aim was to see the day carried on in the same tradition and spirit as it has been done before. To name each person who contributed to the success of the day would be impossible as would choosing those who helped the most so the Stampede Executive offers its profound thanks and appreciation to all those who helped in any way to help put over The Raymond Stampede!

The bride chose an ankle length gown of white chantilly lace over a double net bouffant skirt, and the stand-up collar was decorated with seed pearls. A family dinner was held at the Blue Bird Room at noon after which she donned a turquoise linen suit with navy accessories for their honeymoon trip to California.

Saturday evening a novel dinner party in the form of a Smorgasbord was held at the home of Mr. and Mrs. Gordon Stone with all contributing to the good eating. An old favorite, Charades was played during the evening before good-byes were said to the Bill Nalder, in whose honor the party was held.

A scavenger hunt was enjoyed during the evening when items from a portion of the white strip down the highway at Welling, to the top-most leaves of the tallest tree in T. George Woods garden, were brought in. Before desert was served a number of other humorous games were played.

Nemiscam Notes

How would you like to drive 40 or 50 miles for a drink of water? That is what would have happened if you lived near Kyle, Sask. Mr. and Mrs. R. Norlin have just returned from a visit with their son-in-law and daughter, Mr. and Mrs. Sid Black of Kyle. There seemed to be no individual wells so Mr. and Mrs. Norlin reported, but there was one well (drilled by the government they thought) and here everyone went for forty or fifty miles for their drinking water.

They deposited ten cents as in a Jute box, but instead of muskrats got 300 gallons of water. There has been over five inches of rain this month in the district and the people were taking advantage of it and filling cans and tanks from the ditches along the road.

A sight that pleased the Norlins eyes was the Caragana trees around Conquest and Zealandia. They were planted in rows about 40 rods apart, as far as the eye could see, miles and miles of them, some running north and south and some rows east and west. Mr. and Mrs. Norlin also visited Saskatoon while on their trip.

Mrs. Wallace Black and children of Olds are visiting with her parents, Mr. and Mrs. A. King of Hoping.

Miss Marina Harty of Lethbridge has been spending a weeks holidays with her parents, Mr. and Mrs. Joe Harty.

Mr. and Mrs. E. Lynes, among other guests, were supper visitors at the home of Mr. and Mrs. T. Hogen after the stampede at Foremost.

Mr. Mike Ondrik left for the Calgary San after a weeks visit at home. Over the week-end Mr. and Mrs. Joe Ondrik and family and Mrs. Oskoski of Lundbreck were visitors at the Ondrik home.

Lawrence King has been kept busy lately spraying for weeds throughout the district.

Mrs. K. Hulsman and son Ronnie of Lacombe returned to the farm for the summer.

The Thistle Ridge school and grounds are being renovated. The kitchen ceiling has been replastered and cupboards are being built in the kitchen after which it will be freshly painted. Mr. Bill Laqua and son Charles are doing the work. On Wednesday the women of the community will gather to clean the school thoroughly also some of the men to fix the fence around the property. Thistle Ridge is used as a church and a community hall.

Mr. Ole Johnson is home from the hospital in Lethbridge where he has been a patient for some time.

Mrs. D. Johnson and baby son of Taber and Mrs. D. Palmer and sons of Warner have been visiting their parents Mr. and Mrs. Ed Mathews and attended the Foremost stampede with them.

Miss Elsie Ondrik has returned to work in Geo. Black's office at Foremost. She has been home for a time recovering from an operation.

Mr. Geo. Bough has a crew of men working on his basement. He has purchased the Maddaugh house and hopes to get it moved as soon as his basement is completed.

Mr. Bert Harrison has returned from Lethbridge where he has been under the Dr.'s care.

Mr. and Mrs. Peters and their little daughter are leaving for Vancouver as soon as school is out. They will leave little Elaine with Mrs. Peter's parents and then go holidaying to Mexico.

Sunday, July 4th, the Anglican Church, St. Saviours, Congregation of Foremost held a picnic at Writing-on-Stone. Guests included Rev. Mason, and Anglican members from Milk River. Races were held, for the younger members ordinary racing, while the older members took part in sack racing. After a sumptuous picnic lunch members and friends gathered under the trees for a church service conducted by Rev. Mason.

After lunch a ballgame was held while others went swimming. Before leaving everyone had another bite to eat and all returned home tired but happy.
